

Last year we had over 350 volunteers at Maybury Farm and as of June of this year we have already had over 250 volunteers. These volunteers have helped with a myriad of duties: building, repairing, driving, Welcome Center, feeding, training, painting, refurbishing, you name it they did it and no complaints. We so appreciate all the men, women and teens that help us out. Our volunteers come from Dearborn, Dearborn Heights, Livonia, Plymouth, Northville, New Hudson, Allen Park, Southfield, Bloomfield Hills, Birmingham, Novi, Lyon Twp., Detroit, Redford, Monroe, Farmington, Farmington Hills, Ann Arbor, Brighton, Howell, South Lyon, Fenton, Westland, Garden City, Canton, Ypsilanti, Commerce, and Milford. Those are just some of the communities our volunteers come from. If you would like to become a Maybury Farm Volunteer please complete the form on this site or call (248)374-0200. There is always something to do.
